<b>Amount of Award</b> 376240.00	<b>Individuals</b>
<b>Award Date</b> 08/18/2009	<b>Total Number of Payments to 0</b>
<b>Award Description</b> The CDBG-R Grant is designed to fund projects that are ready to be quickly implemented, within 120 days. The targeted projects are ones that create suitable living environments, provide decent affordable housing and create economic opportunities, primarily for persons of low and moderate income. In Chandler, the CDBG-R grant will be used to create safer road infrastructure and streetscapes on along a 3/4-mile strip of Knox Road to improve safety for pedestrians and bicyclists. This area of Knox Rd. is adjacent to the Title I eligible Knox Elementary School and has over 300 children cross to and from the school each day. As part of a school zone, the posted speed limit is 25 MPH. However, Knox Rd. is a collector street that was found through a traffic study to have over 6,000 vehicles traveling on it daily,	<b>Vendors less than \$25,000/award</b>

85% of which were traveling in excess of 40 MPH. The CDBG-R funded improvements will specifically allow children to more easily and safely cross the street to the school through a raised crosswalk and additional traffic calming features, including bulbouts, bike lanes, landscaped medians and defined parking areas. The project was amended to include ADA compliant access ramps at all curb-crossing locations.

## Project Information

Project Name or Project/ Program Title	Knox Road Traffic Calming Project (CDBG-R)	Activity Codes (NAICS or NTEE-NPC) (up to 10)
Quarterly Activities/ Project Description	<p>This quarter, final punch list work was completed April, 2012. The final work consisted of installation of a final drainage channel to facilitate the flow of storm water and maintain the historical flow patterns. This final phase of work was necessary to improve drainage at Knox Rd. and Evergreen. Construction is complete.</p> <p>One final bill remains, in the amount of \$1184, for construction inspection services rendered. This final phase of construction inspection was necessary to finally validate the drainage solution under test conditions. Final billing and project completion is anticipated in the next thirty days.</p>	<p>Activity Code 1 237310</p> <p>Activity Code 2</p> <p>Activity Code 3</p> <p>Activity Code 4</p> <p>Activity Code 5</p> <p>Activity Code 6</p> <p>Activity Code 7</p> <p>Activity Code 8</p> <p>Activity Code 9</p> <p>Activity Code 10</p>
Project Status	Completed 50% or more

17.37 FTE.

**Total Federal Amount of ARRA Expenditure** 355198.29

**Total Federal ARRA Infrastructure Expenditure** 355198.29

**Infrastructure Purpose and Rationale** The City of Chandler's Consolidated Plan calls for improving streetscapes and infrastructure in deteriorated areas, improving safety and becoming more environmentally sustainable, while ARRA regulations promote developing expedient projects that support the local workforce and provide long-term benefits to the community, all of which is accomplished with this project. The CDBG-R grant will be used to create safer road infrastructure and streetscapes on along a 3/4-mile strip of Knox Road to improve safety for pedestrians and bicyclists. This area of Knox Rd. is adjacent to the Title I eligible Knox Elementary School and has over 300 children cross to and from the school each day. As part of a school zone, the posted speed limit is 25 MPH. However, Knox Rd. is a collector street that was found through a traffic study to have over 6,000 vehicles traveling on it daily, 85% of which were traveling in excess of 40 MPH. The CDBG-R funded improvements will specifically allow children to more easily and safely cross the street to the school through a raised crosswalk and additional traffic calming features, including bulbouts, bike lanes, landscaped medians and defined parking areas. The project has been recently amended to include ADA compliant access ramps at all curb-crossing locations.
